V 以下の英文は、「仙台動物園」の中を園内見学用バスで周遊する時のアナウンスです。英文を読んで、あとの問題に答えなさい。

Sendai Animal Zoo has been open for 15 years. I will tell you about the zoo and the animals here while we ride on this small bus. This bus goes around the zoo. There are several stops and you can get on and off the bus at each stop.

This zoo is different from other zoos. It is like a large park. There are many trees and plants, and a small river. And there are places to play and have a picnic. Please take pictures if you want to, but don't take pictures inside the buildings.

There are some other rules to remember. Please don't give food to any of the animals. Please don't run around or make too much \*noise outside the place for playing.

To your left, you can see our big cats. It is difficult to see the tigers when they are among the trees and grass because of their colors. The orange and black of the tigers can make it difficult to see them among the trees and grass, but I \*promise you they are in there. It is not always easy to see the lions either, when they are on the ground, as they are almost the same color as the earth. We got two new lions in November. That one is named Simba and the one next to him is named Priscilla. It is warm today, and the lions look sleepy. They are moving slowly, but even the young ones are very dangerous. They can move very fast and have \*sharp teeth.

Next to the big cats is our most popular building. It is the monkey house. We have many monkeys. They like to play and make people laugh. They love to make noise. And they love to eat bananas.

After we go across this bridge, you will see our café under the big clock. In the café, we sell not only coffee and tea but also cakes and sandwiches. Next to the café, there is a shop and you can buy gifts for your friends and family there. They sell candies, cookies, \*dolls and toy animals.

To your right, you can see our gray elephants. They are very friendly. We give them a shower every day. Next to the elephants, there is a movie room. It shows a movie about animals in Africa. It shows how they live and what they eat. Each show starts at 10 o'clock, noon, 2 o'clock and 4 o'clock.

To your left, you can see our restaurant. It has sandwiches, salads and soups for lunch. The Visitors' Center is next to the restaurant. It has a library full of books about animals and you can ask questions at the desk there. At the desk, you can join the zoo club. If you join the club, you don't have to pay to enter the zoo on Sundays and you can get a free ticket so you can bring a friend with you. It is \$10 to be a member of the zoo club for one year.

Please take a free map. It shows where all the animals are in the zoo. Today, you can all discover the wonderful world of animals. We hope you enjoy your visit.

\* noise : 騒音      promise : ～を約束する      sharp : 鋭い      dolls : 人形
